

Donation Request Form

Date: _____

Our Giving Mission:

We are proud to partner with organizations that improve our communities. In doing so, we focus on the following specific areas for our giving: youth development and education; community and economic development; agriculture; veterans; nature and wildlife preservation.

LSB receives hundreds of donation requests each year. As we consider those requests, first consideration will be given to our customers and business relationships with accounts in good standing, as well as our employees. While many of the requests are of worthy cause, we generally do not provide financial support to the following: religious, political organizations; individuals; trips or tours for individuals and groups including transportation costs; organizations who operate outside of the immediate areas served by LSB; general operational or administrative expenses; fundraising events not associated with a non-profit or cause. If after reviewing our giving mission you feel your organization's need is in alignment, please submit this form.

Name of Organization: _____

Authorized Contact Person: _____ Ph and/or Email: _____

Brief Explanation of the Organization's Objectives: _____
